

Library Benchmarking

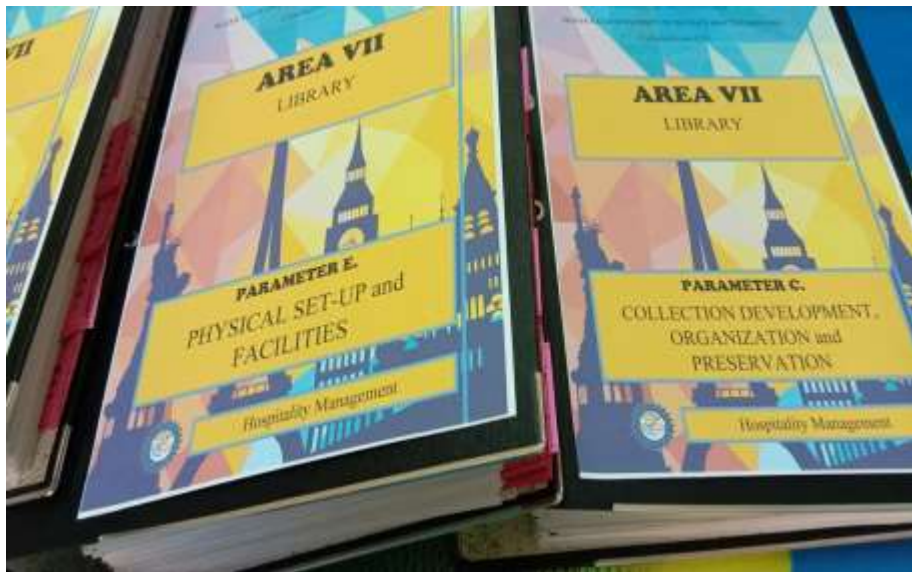

Benchmarking is a way of discovering what is the best performance being achieved.

Students from Bartolome Sangalang National High School Guimba Nueva Ecija.

Preparation of Accreditation documents for Area VII

2019 Accreditation, BSHM, COED

Orientation and Library Tour

Library orientation aims to ensure that library users can use library resources and services adequately and to their satisfaction. To enable library users to become skilled at finding and thus foster feelings of confidence and independence.

NUTRINET MONITORING

Nutrition Research Information Network (NUTRINET)

One of our Best Practices in the Library

Our library has been chosen by the NUTRINET in them adopt a library program in region 3 way back 2015. Since then, we have been continuously receiving library materials from them. They are religiously monitoring the usage of the materials we received. Thank you NUTRINET.

Juan-Estigoy and 3 others.
